Dear Mr. Russo,

Thank you for taking the time to write me about WHITEWASH

May I suggest that if you keep a dictionary nearby, you will be able to read this book? I judge this from your letter. There are many things that seem difficult because we do not try all the means that might be at our disposal.

Remember, "Seek and ye shall find; ask and it shall be opened unto thee".

But thanks for your letter.

Sincerely,

Harold Weisberg
